RUTH WANTED TO FIGHT UMPs FOR PUTTING HIM OUT

(By Associated Press)
New York, June 21.—Without Babe Ruth battling to emerge from the slump that cost them their lead in the American league race, the Yankees took the third game of the series from Cleveland and ended a losing streak of eight games. Sam Jones was rushed to the rescue in the eighth when Joe Bush faltered, and checked the Indians, enabling the Hugman to squeeze out a 6-5 victory.

Before the game yesterday Ruth renewed argument with Umpire Dineen that resulted in his banishment Monday and the pear nearly came to blows. The slugger has been suspended for three days by President Ban Johnson for his outbreak on Monday, marking the third time this season he has been under official ban. His early season suspension was the first, and not long ago he drew a brief layoff, was fined and deprived of his captaincy for throwing dirt in an umpire's face.

The Yankees failed to regain any of their lost ground in the pennant hunt as the flying St. Louis Browns slugged four of Connie Mack's twirlers and won, 7-3, from the Mackmen. Kenneth Williams smashed out his sixteenth homer.

Cobb's dashing Tigers nosed out the Red Sox, 9-8, in another slugging bee. Burns, Boston first sacker, led the onslaught with a single, double and two homers. Red Faber weakened in the 13th inning of a sensational battle with Washington and the Senators put over three runs to win from Chicago, 9-6.

Johnny Couch held Boston to two hits, the first of which came in the eighth, and Cincinnati shut out the Braves, 2-0, in the only National league game played.

Baseball Gossip

The Lake City correspondent of the T-U sends some very kind words about the Pals, known everywhere they have played, as putting sportsmanship ahead of selfish desires to win. The correspondent says:

A great friendship seems to exist here for the Palatka Pals and more than likely Business Manager Cannon will draw up a schedule with the Pals for many games during the months of July and August. The Terrers have played the Pals six games this season and not one bit of friction has existed between the two clubs—and Lake City had rather defeat the Pals than any other team in the state, mostly for the reason that the Terrers consider the Pals their only real opponents for the state championship.

Some of our impetuous friends have urged intemperate language against St. Augustine fans and players who precipitated Sunday's incident. To these we would say if our cause is not just words cannot make it so. There isn't a doubt but that the St. Augustine players themselves now realize that they have made one outbreak too many. They already had a record, but Sunday's was the climax. Ocala refused an engagement there, and it is understood that Jacksonville clubs have either cancelled or declined to again visit Lewis Park.

Infielder Lindsey and Senor Villarino left yesterday afternoon for Gainesville where they will join the club which D. M. Buie is assembling to get in on some of the good baseball that the independents are playing in the state. The Pals wish them luck—"his 'em sky high and a mile."

With the receipt of acceptances by wire last night Manager Boaz has completed a solid schedule for the Pals up to and including August 12. In addition to the schedule published in Monday's paper, the following games should be added by interested fans:

Gainesville here July 13, 14, 15
At Lake City July 24, 25, 26
Lake City here July 27, 28, 29
At Gainesville July 31, Aug. 1, 2
At Ocala August 2, 4, 5
Winter Garden here Aug. 7, 8, 9
Ocala here August 10, 11, 12.

Fans are making the life of Manager Boaz miserable. They want a National or American League club.

UMPIRE POOLE SAYS HE WAS STRUCK BY CARTER AND FEARED REPETITION OF FORMER RIOTS IN ST. AUGUSTINE

Dear Mr. Culley: In Earl Blue's letter printed in The Times-Union June 30, he states that he was not assaulted in the game played June 18 in St. Augustine between St. Augustine and Palatka. I wish to state that I was assaulted by Player Carter, of St. Augustine. After I had ruled McDaniel of St. Augustine out at the plate in the eighth inning of said game, Captain Davies, of the Saints, who was coaching at third base, rushed towards me, to argue on the decision, and while he was protesting Carter struck me from the rear and then jumped on my back. Davies and other players separated us, Carter then got in a fight with Coles, one of his own teammates.

Previous to this outbreak, Catcher Larzo, of Palatka, was struck by Captain Davies, of the Saints, over words that were exchanged between the two in an argument about Larzo interfering with the Saints' batters. I made an attempt to separate them after they came together and was struck by both players, not intentionally. During the melee the spectators began fighting among themselves and there were cries of "Kill the nigger!" meaning Larzo. This happened in the sixth inning, and it was some time before things quieted down. The game then proceeded until the last half of the eighth inning, when I ruled McDaniel out for the third out of the inning.

Changes are urged that would disrupt the club so that it would never be able to win a game. The club can be strengthened, but it takes money and it interferes with schedules, as other teams do not relish going up against a sure thing. Go slow with these changes.

Mallory should have had at least a tie at the end of the ninth yesterday, and perhaps a victory. Van Landingham's homer might never have happened had not the first two men up gotten on with the aid of misplays. But it's the hazard that makes the game grip.

Little advance notice has been received here as to the relative strength of the Cocoa club, but it is safe to say that everything that looks like a ball player on the east coast will be along with the club.

Sanford and Whitney accomplished something yesterday that seldom

terday with a single through short. Leon robbed him of a fast single to right in the third, but Leon is given to doing that, even if he can't hit or throw.

Pete and Quinn shared the old shirt again.

Gillespie Awarded Contract to Pave Green C. Springs

The Gillespie Construction company of Palatka has been awarded the contract for \$200,000 worth of paving in Green Cove Springs and will begin the work as soon as the material can be assembled. Mr. Gillespie's bid was the lowest among about eight submitted. He will continue to make his headquarters in Palatka.

the opener, rolled a slow one down the third base line and Gonzales fought it all over the lot. Raymer shot a fast one to Holden, who made a quick toss to Robinson, who dropped the rather poor throw. Leon hit to third, forcing Taylor, and then Van Landingham lammed on all fours. The next two hours were easy, but the damage was done. It seemed to wreck the esprit de corps of the Pals and they only wandered near to victory twice.

In the local fourth Wynne was safe on an error at second, went to second on Quinn's single to left. Larzo hit to third and Peters was caught at the pan and Charley tried to show up Mr. Overstreet, but was taken off when he tried to steal. Holden grounded to third.

The visitors also crossed the plate in their half. Wood got his only single of the series. Brooks sacrificed him, and he went to third on Liddell's infield out, scoring on Whitney's sin-
